## *Topics*

---

**Topic 1 – Front End:**

Alana has completed the front end modifications, will push code to Git

**Topic 2 – Acceptance Tests:**

Full team still working on acceptance testing

**Topic 4 – Backend**

Daniel says that the backend is all completed

Gleb will be tasked with connecting the front end and backend code

**Other:**

Students are fairly busy with other subjects

Alana is expected to be called in more frequently due to respirator issues at work, so will work on more administration work for the next few days. However, she has completed her portion of the front end already.
